

# Security Coin Deposit Bag

Designed to hold Federal Reserve ready deposits of coin.

Compatible with coin auto-loaders; one bag for all denominations.

Bar coded for easy scanning and tracking

Sequential numbering and printed tear-off receipt for audit traceability.

High strength 1/4 inch broad flat side seals.

Strong self-adhesive eliminates need for tags and crimps.

Easy to carry with triple reinforced handle.

High strength MLLDPE material.

Oversize closure flap, micro-perforated for added security.

Easier to store, requires less space than canvas bags.

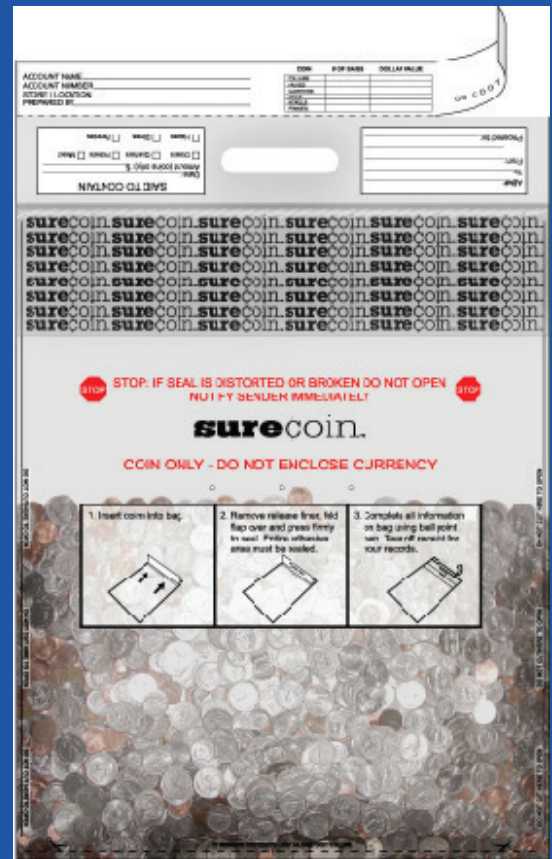

Clear bags allow for immediate content recognition.

Eliminates bag sorting and retrieval.

Recyclable and disposable.

Clean, new bag every use, replaces unsanitary canvas bags.
